## Instructions:

2. Google search for pictures of things that you love ♥ (at least 9 pictures). Save the pictures to your Camera Roll. Try to focus on only one thing that you love, and collect pictures that relate to that one thing, or you can focus your pictures on a couple things that you love.
3. Open Moldiv and choose your frame or use the Collage feature. Insert your pictures into the frame. Play around with the effects!
4. Save the image and upload it into your English folder.
